ASSEMBLY
PROGRAMS

Share the World offers assemblies by CalArts music and dance ensembles to elementary, junior high, and high school students.

Performances can take place in auditoriums, multipurpose rooms, or gymnasiums to accommodate large groups of students. Each performance is followed by interactive workshops for students on instrumentation, composition, rhythm and percussion, and music and dance styles. These performances and workshops concentrate on the State-mandated Visual and Performing Arts Standards as well as introducing students to a variety of diverse cultural traditions.

The Share the World Program is a collaboration between the California Institute of the Arts Community Arts Partnership (CAP), the City of Santa Clarita Arts and Education Programs, and the Santa Clarita School Districts.

Performances will be offered from August through May.

Ensembles are booked on a first-come, first-served basis.
